Digitalni merilnik tlaka, Osvetlitev ozadja, 0 - 10 bar, R 1/4 ET

Kategorija: Digital pressure gauge
Šifra: **133383RIE**

Kratek opis

Digital pressure gauge with background lighting, Measurement range 0 - 10 bar, R 1/4 ET - M5 IT
Digital pressure gauge in stable plastic housing for monitoring and measuring pressures in dry, oil-free compressed air and non-toxic, non-aggressive gasses.
Areas of application: Pneumatics, machine tools, compressors, automation technology and in general machine construction.
Battery operated
Pressure units: MPa, kgf/cm², bar, psi

Tehnične Specifikacije

Min. sobna temperatura [°C]	-10
Deli v kontaktu z medijem	MSV
IP zaščita	IP 40 / IP 65 (with hose)
Napajanje	Battery CR2032 lithium
Natančnost	± 2% F.S. ± 1 digit
Navoj	R 1/4 ET - M5 IT
Ohišje	Plastic
Opis	with background lighting
Zaslon	3-digit, 7-segment LCD display
Merilno območje max. bar	10
Dolžina [mm]	30.0
Premer [mm]	30.0
Višina [mm]	36.8
Max. delovna temperatura [°C]	50
Max. temperatura medija [°C]	50
Max. sobna temperatura [°C]	60
