

## Electrical cable reeler, 3x1.5 mm<sup>2</sup>, max. 240 V, max. 10 Amps, 10m

Kategorija: [Electrical cable reels](#)

Šifra: **202193RIE**

(slika je simbolična)

### Kratek opis

Elektro-Kabelaufroller, Gummi H07RN-F 3x1,5 mm<sup>2</sup>, max. 240 V, max. 10 Ampère, Leistungsaufnahme max. 2400 W, Kabel 10 m

Closed, rugged, impact-resistant housing made of POM. Includes a thermal circuit breaker. In case of overloading, a thermal overload protective circuit cuts off the electrical power supply automatically

### Tehnične Specifikacije

|                        |                                                        |
|------------------------|--------------------------------------------------------|
| Operativna napetost    | max. 240 V                                             |
| Povezava               | SchuKo plug                                            |
| Tip kabla              | PVC 3 x 1.5 mm <sup>2</sup>                            |
| Vhod                   | Rubber H07RN-F 3 x 1.5 mm <sup>2</sup>                 |
| Vhodna moč             | Max. 1600 W (fully wound), max. 2400 W (fully unwound) |
| Dolžina kabla [m]      | 10                                                     |
| Trenutni max. [Ampère] | 10                                                     |
| Zasučni kot [°]        | 180                                                    |
| B [mm]                 | 313.0                                                  |
| A [mm]                 | 406.0                                                  |
