## Regulator tlaka za vodo, Manometer, G 1/2, 0.5 - 6 bar

Kategorija: [Diaphragm pressure regulators for water, brass](#)  
Šifra: **101309RIE**

### Kratek opis

Pressure regulator for water, pressure gauge, G 1/2, Control range 0.5 - 6 bar, Input pressure max. 40 bar, Temp. 5 °C to 90 °C

Brass diaphragm pressure regulators with non-self-relieving design, specially for use with water.

The regulator protects water installations against high system pressure, prevents pressure fluctuations and helps reduce water consumption. Undesirable flow noises are kept to a minimum.

### Tehnične Specifikacije

|                                |                                            |
|--------------------------------|--------------------------------------------|
| Kolo                           | Plastic                                    |
| Membrane                       | NBR                                        |
|                                | At $P_1 = 7$ bar, $P_2 =$                  |
| Merjenje pretoka               | 6 bar and pressure drop $\Delta p = 1$ bar |
| Navoj                          | G 1/2                                      |
| Ohišje                         | Brass                                      |
| Srednje                        | Water, nitrogen and argon                  |
| Tesnilo                        | NBR                                        |
| Min. krmilno območje [bar]     | 0.5                                        |
| Min. temperaturno območje [°C] | 5                                          |
| Max. krmilno območje [bar]     | 6                                          |
| Pretok [l/min]                 | 15                                         |
| C [mm]                         | 30.0                                       |
| Max. vhodni tlak [bar]         | 40                                         |
| A [mm]                         | 72.0                                       |
| Max. temperaturno območje [°C] | 90                                         |
| D [mm]                         | 123.0                                      |
