## Visokozmogljiva pištola »Typhoon pro«, s kapico I.D. 13

Kategorija: [High-volume blow guns »Typhoon pro«](#)  
Šifra: **114466RIE**

### Kratek opis

High performance air gun »Typhoon pro«, Chrome plated aluminium, PN max. 10 bar, Sleeve I.D. 13  
Steplessly adjustable and ergonomically optimised high-volume blow gun in full metal housing with exceptionally high blowing power. The »Typhoon pro« model, which achieves approximately three times the blowing power of conventional guns, rests comfortably and securely in the hand even when full pressure is applied.  
Resistant to chemicals and chemical solvents, with a chrome-plated surface for easy cleaning!

### Tehnične Specifikacije

|                             |                                      |
|-----------------------------|--------------------------------------|
| Material                    | Chrome-plated aluminium              |
| Priključni navoj            | G 1/4                                |
| Ročica                      | Die-cast zinc                        |
